DIRECTOR MAJORITY VOTING POLICY

This Policy is intended to govern the election of directors of Nutrien Ltd. (the “Corporation”) in an uncontested election held at any annual meeting of shareholders.

Policy Statement	1
Review of the Policy	1

Policy Statement

Other than at a “contested meeting”, if a director does not receive the support of at least a majority of the votes cast at a meeting of shareholders in his or her favour, that director will immediately tender his or her resignation to the Board Chair, and if the Board Chair is an Executive Chair, to the Lead Director to be effective upon acceptance by the board of directors of the Corporation (the “**Board**”). The Corporate Governance & Nominating Committee (the “**CG&N Committee**”) will expeditiously consider the director’s offer to resign and make a recommendation to the Board whether to accept it. Notwithstanding the foregoing, the Board shall accept the resignation absent exceptional circumstances. The Board will make its decision within 90 days following the meeting of shareholders and shall promptly announce it in a press release, including the reasons for rejecting the resignation, if applicable. A director who tenders a resignation pursuant to this policy will not participate in any meeting of the Board or the CG&N Committee at which the resignation is considered. Per the policies of the Toronto Stock Exchange, a “contested meeting” is defined as a meeting at which the number of directors nominated for election is greater than the number of seats available on the Board.

Review of the Policy

The CG&N Committee will review this Policy, from time to time as necessary, and make recommendations on any required changes to the Board for consideration and approval.
